

Black letters are mainly descriptions of patterns.

Blue letters are descriptions of polar caps and clouds.

Brown letters are the description about dust.

Red is a special note.

今日も Jorge Rallo から報告が送られてきました。この時期、北極冠は見えなくなっていますが、時折北極雲が発生します。スケッチの方位がはっきりしないので、極雲かどうかははっきりしません。

(by 1 observation; reported by Makoto Adachi)

2022, Jan. 13

I received a report from Jorge Rallo today as well. During this time, the NPC disappears, but occasionally NP clouds occur. Since the orientation of the sketch is not clear, it is not clear whether it is a polar cloud.
